

Biological PPE Training and Fit Testing

What
you
should
be
thinking
about
today

What you SHOULD be thinking:

As first responders and health care providers we are exposed to biological agents every day.

These can include:

Influenza-Tuberculosis

Hepatitis-Meningitis

Class
scheduled for
March 17th in
Pembina
County

This comprehensive 2 Hr training event will demonstrate some of the ways you can protect yourself so that you can continue serving your community!

Best of all, it's FREE!!! Get registered today!

Contact the Pembina County Public Health Department for more information or to register for the training taking place in Pembina County. Call (701) 265-4248

Training provided through a grant from the ND Department of Health
