North Dakota State Sales & Use Tax Permit #: _____

Applicant Name: _____ Phone Number: _____

Mailing Address: _____

Applicant applies for a retail fireworks license pursuant to North Dakota Century Code Chapter 23-15 to sell fireworks at: _____

(Business Name & Address)

Applicant is aware of all state and local laws, rules, and regulations regarding the sale and storage of fireworks.

Because of the nature of the business being conducted, applicant agrees to comply with at least the following minimum safety standards:

- A fire extinguisher must be placed in the premises in compliance with state and local codes and regulations. The minimum fire extinguisher for any site is 2A-10BC.
- Adequate exits for the protection of customers and employees must meet applicable state and local codes.
- Smoking, open flame, and discharging of fireworks are prohibited in and around the license premises.

I hereby affirm that I understand the rules, regulations, and state and local laws relating to the sale of fireworks. I also agree to post the issued license in a conspicuous place at the licensed location where fireworks are sold.
