OVERWEIGHT TRIP PERMIT # _____

This permit is effective: _____ to _____.

Pembina County Highway Superintendent

This permit MUST be carried in the vehicle hauling the overweight load.

Conditions:

1. This vehicle shall be registered for 105,000 or more. Total vehicle weight not to exceed 129,000 lb.
2. Overweight movements are subject to the maximum axle weights and may not exceed 550 lb per inch width of tire.
3. This permit is specific route only, if the route is altered this permit is then null and void.
4. This permit shall be available from December 1-March 31 only. No exceptions.
5. This permit shall apply to movement of one vehicle or one vehicle combination only.
6. This permit does not authorize travel on shoulders of road.
7. Failure to comply with this permit makes this permit null and void.
8. This permit is valid for a one way load movement.
9. The rate of speed shall not exceed 40 mph on all county roads.
10. This permit does not validate equipment, speed, axle configuration or other types of safety and road readiness requirements imposed by Federal and State laws. The issuance of this permit is not evidence that the Pembina County Highway Department has, in any manner, authorized, approved or inspected the vehicle for which it is issued.
11. The county reserves the right to cancel this permit at any time. A prorated refund will be made to the applicant in the event of cancellation.
