## ANNUAL PREA REPORT AND ALLEGATION SUMMARY 2019

The Pembina County Correctional Center in 2019 housed 131 inmates. The average length of stay for the inmates was 10 days.

The Correctional Center in 2019 housed 92 males and 39 females.

In January of 2017, the Department of Corrections and Rehabilitation enacted new jail standards, one of those standards was that all correctional facilities in the state of North Dakota are mandated to become PREA compliant.

Since 2017 all of our dispatch/correctional personal have received the required training on PREA.

The Pembina County Correctional Center has not had a PREA incident in 2019, or in any other previous years.

The Pembina County Correctional Center will continue to strive for excellence and safety of all inmates and staff.
