Public Scoping Meeting
Pembina County Water Resource District (PCWRD)

The PCWRD will host a public meeting on Friday, July 10, 2026 at 10:00am at the Pembina County Courthouse Farmer's Meeting Room (301 Dakota Street W. #1, Cavalier, North Dakota 58220). The Pembina County WRD is proceeding as the Local Sponsoring Organization for the rehabilitation of Tongue River Dam T-3-6 (Herzog Dam) and Tongue River Dam T-3-1 (Bourbanis Dam). The initial phase of this effort is to complete a Supplemental Watershed Plan that will include review of the existing structure, watershed/resource concerns, development of alternatives, and selection of a preferred alternative. The purpose of the meeting is to provide background of the Watershed Planning effort and opportunity for input about resource concerns pertinent to Herzog Dam and Bourbanis Dam. Input may be provided through oral comments at the meeting as well as through completion of a questionnaire. For those unable to attend the meeting, the questionnaire will be made available, along with presentation material from the meeting, at the PCWRD web page following the public meeting.

A virtual option will also be made available to participants not able to attend in-person. Virtual attendance information is listed below:
