

SOILS COMMITTEE MEMBERSHIP REQUIREMENTS

- A. A member must be a resident landowner in Pembina County.
- B. A member must be actively involved in farming, ranching, a retired farmer/rancher still active in county activities, or actively involved in a farm/ranch related field.
- C. A member need not reside in the district he/she is representing, but must have agricultural land in that district. A district can recall their Soils Committee representative by a two-thirds vote.
- D. Members will be selected by the County Commission and serve a four-year term. When appointments are first made, members from district one, three and five will serve a four year term and members from district two and four will serve a two year term.
- E. The Soils Committee will reorganize itself at the first meeting after the Pembina County Soils Committee Board election, electing a Chairperson and Vice-Chairperson. Every two years the members change in rotation.
- F. An individual from the Tax Director's office will act as secretary.
